

# BOBBY SMYTH

## Partner

Providing world-class solutions without the world-class ego.

Bobby is a business improvement consultant who is most passionate about inspiring teams to define and sustain success. He grows organizations by simplifying their strategy and crisply communicating it for all to see and believe. Bobby volunteers as the Region Vice President for the IIE Great Lakes region. He participated in the C-Change Leadership Program through the Cincinnati Chamber of Commerce and founded two non-profits.

## EDUCATION

2007 — 2012 **THE OHIO STATE UNIVERSITY**  
B.S., Integrated Systems Engineering

\*Upon graduation, Bobby was asked to serve on the high-powered Industry Advisory Board for the ISE Department
