

MARK BLANKENBUEHLER

Controller

If you take care of the pennies, the dollars take care of themselves.

Mark is built to serve. His commitment to service runs deep – having completed numerous community service projects and a tour of duty as a United States Marine, during which he received almost a dozen awards and honors.

Mark likes to use his number skills to make sense of the world. He enjoys helping business leaders find answers to important questions, identify vulnerabilities, and discover powerful perspectives. Modeling, forecasting, performance assessments... if it can help you see new solutions, Mark will find a way to make it happen.
